

COMMITTEES

Board committees may be created by a majority of the board. The purpose and terms of such committees shall be determined by a majority vote of the board. The president shall appoint board members, as necessary, to serve as representatives of the board on such committees. These committees may include District personnel and citizens. The function of committees shall be fact finding, deliberative, and advisory, but not administrative.

Meetings of board-appointed standing committees, special committees and task forces shall be open to the public but may be closed for an executive session to discuss confidential matters pursuant to the provisions of the Kansas Open Meetings Act. The chairperson of any such committee may allow public input or communication at any time it is deemed advisable and necessary by a majority of the committee attending the meeting.

The board may dissolve any advisory committee at any time. No committee shall exist longer than one year unless reappointed.
